Telefilm Canada - "The success of Canadian cinema, here and around the world, is the result of this industry's commitment to the creation of exceptional films that engage, inspire and entertain audiences. In this spirit, Telefilm Canada is proud to partner with the Academy of Canadian Cinema & Television, on the occasion of the 2010 Genie Awards, to celebrate Canadian talent and Canadian stories."

PREMIER / PREMIERS PARTENAIRES

Zip.ca is honoured to be part of the celebration of Canadian cinema. We may not have the actor's profile, a director's eye or a writer's ear that all go into making a movie, but we do have the ability to let Academy members view the nominated films anywhere, anytime and cast their ballots **all online**. Beyond making the process faster, easier and more efficient. We eliminate printing, mailing and recycling, making the whole process more green," said Curt Millar, CEO of Zip.ca.
